CAPITAL AND CONNECTIONS TO GO FURTHER, FASTER.

43North runs an accelerator program and invests \$5M annually into high-growth companies that move to Buffalo, NY through its startup competition.

OUR PROGRAM

In addition to investment of \$500K or \$1 million, companies receive:

- One-on-one mentorship with industry experts
- Class A office space in the newly renovated Seneca One Tower in Downtown Buffalo
- Access to an extensive network of 600+ investors, customers, and vendors
- Recruiting, marketing, and public relations support from the 43North team
- The opportunity to operate free of state taxes as part of STARTUP-NY*

Portfolio companies receive these incentives in exchange for 5% equity and a requirement that the CEO and 50% of staff relocate to Buffalo for at least one year.
